Surgeon-General with the Govt. of Madras, Madras 6.

To

The Secretary to Government,
Education and Public Health Department, Madras.

Ref; No. 82215-B1/47. Dated 4th December 1947

Sir,

Sub:- Examinations - Special and Departmental Tests - Appointment of Chief Superintendents.

- - -

In G.O. No. 812 Public (Services) dated 11th May 1938, the Government have prescribed a roster for the selection of Chief Superintendents for the examinations conducted by the Public Service Commission in the mufassal and have ordered that Heads of Departments will be responsible for providing suitable officers of the departments for appointment as Chief Superintendents at each centre at the turn allotted for their departments. With reference to this order, the Collector of Tanjore requested the Surgeon-General for nominating an officer of the Medical Department to serve as Chief Superintendent for the Special and Departmental tests to be held at Tanjore during the months of November and December 1947 and in compliance with this request, an officer serving in the Anatomy Department of the Medical College, Madras, was deputed to perform the duties of Chief Superintendent for the Special and Departmental tests referred to above. The nomination of this officer was not approved by the Secretary, Public Ser vice Commission. The Commission has expressed the view that the selection of officers for appointment as Chief Superintendents should be restricted to officers stationed at the centre of the examination and belonging to the departments mentioned in the roster prescribed in paragraph 2 of G.O. No. 812 Public (Services) dated 11th May 1938. The Commission has also stated that the appointment of the officer nominated by this department will involve extra expenditure to Government in the shape of travelling allowance which will not be admissible.

-2-

In this connection I desire to bring to the notice of Government that according to the roster prescribed in the above G.O., this department will have to provide an officer for appointment as Chief Superintendent from among those holding the appointment of non-clinical Professors, Lecturers, Tutors and Assistants and the First Assistant to the Chemical Examiner only and such officers are at present available only at Madras, Vizagapatam and Guntur where there are Medical Colleges. In view of the position stated by the Public Service Commission Viz. that officers appointed as Chief Superintendents should be those who are stationed at the centre of the examinations, I ~~xk~~ solicit the order of Government if it is open to this department to refuse to comply with requisitions for the services of officers for appointment as Chief Superintendents if the centre of the examination happens to be a place other than Madras, Vizagapatam and Guntur.

The nomination of the officer for appointment as Chief Superintendent for the examination to be held at Tanjore during November and December 1947 has been cancelled at the express request of the Public Service Commission.

Your obedient servant,

(sd) . . . .

for Surgeon-General with the Govt. of Madras.
